

## **Vicar for the Benefice of St Ippolyts with Great and Little Wymondley**

Together the three parishes form the attractive green cushion between Hitchin, Stevenage and Letchworth Garden City. Though close to these centres, this is a semi-rural benefice with a strong feeling of community. The joint PCCs look forward to welcoming a new vicar to our Benefice.

We are looking for someone who can -

- Lead us joyfully, thoughtfully and wisely into our future worship and community life.
- Engage, stimulate, teach, challenge and work within a framework of central churchmanship.
- Build upon our foundation to widen our age profile and attract and maintain the interest of young people in our churches.

We offer our support, commitment and hard work, plus well established teams that work well together.

A modern 4 bedroomed vicarage is located in the village of St Ippolyts and there are excellent schools in the area together with good transport links to London.
